## MSU Inclusivity, Diversity, and Equity Camp (MSU INDIE Camp)

We aim to empower student voice, agency, and leadership through a wide range of activities organized at the camp. Our activities are designed to provide students with the knowledge, skills and experience necessary for their present and future academic and professional endeavours. The students will have opportunities to explore issues related to inclusion, diversity, and equity. Their contributions and commitment to the program will enable MSU to establish a network of youth leaders who work together towards promoting inclusion, diversity, and equity. These youth leaders will be encouraged to embrace a global mindset while treasuring their local identities.
